THE SOUTHEAST ALABAMA GAS DISTRICT
Published as a Reminder to Smart Christmas Shoppers, and as a Service to Natural Gas Appliances Dealers, by the Organization that Supplies Southeast Alabama with NATURAL GAS — the Luxury that Saves You Money!

Take it from Bing: no gift offers more years of comfort, pleasure and convenience than a modern automatic GAS appliance. Choose from automatic GAS ranges that cook complete dinners by themselves... automatic GAS dryers that dry clothes beautifully in minutes! Or GAS water heaters that give you all the hot water you need—and so much faster, too! And GAS incinerators that automatically dispose of trash, paper and garbage. See all of these GAS appliances today. You'll like their looks and their low all-around cost... less to buy, less to install, much less to operate!

BING SAYS:
"Make it a White Christmas... Give her An Automatic GAS Appliance."

So Much Noise Just Train Repair Gang

J. Drayden Smith, who persistently boasts about the advantages of resting in West Elba, where the trains come in, had some explaining to do and excuses to make Sunday morning.

The residents of West Elba, as well as many persons living in other parts of town, had their early Sunday morning naps broken into smithereens by "ear-splitting" sounds coming from the railroad yards.

Mr. Smith explained the unusual occurrence by stating that an A.C.L. work train broke down Saturday in the vicinity of Spurlin's Gap, and repairs were not completed until early Sunday morning. The train ended up in the Elba railroad yards with plenty of whistle-blowing, clanking of wheels and other sleep-disturbing clamor, prior to leaving Elba on its belated trip to Dothan.

THE BEAUTIFUL WAY TO BE THRIFTY... '58 CHEVROLET!

The Delray 2-Door Sedan—bold beauty and body by Fisher in Chevy's lowest priced Series

'58!

Look at the bold new styling and brilliant new ideas about driving pleasure Chevrolet offers even in its lowest priced Delray Series!

Look what the beautiful new Delray models do for your dollars! They're the lowest priced of all the low-priced Chevrolets. But they're long, low and loaded just the same. A full nine inches longer, dramatically lower, and loaded

with new things that make driving happier and riding smoother.

Just try one! Power ranges from the budget-minded 145-h.p. Blue-Flame 6 to Chevy's radical 280-h.p. Super Turbo-Thrust V8.* Delrays, like other models, have a new Full Coil suspension—a softer, road-leveling ride. You can have a real air ride* to make the going even smoother—and Overdrive* to make it even thrifter. See all that's new at your Chevrolet dealer's.

*Optional at extra cost.
